Surgeons

Nurses

Anaesthetists

Vets

MOSSBOURNE  
SIXTH FORM

# What does Medsoc do?

Useful events:

First Aid

Presentations

Visits

Debate Practice

# In conclusion:

- Useful for anyone who is interested in a career in healthcare
- Useful for students unsure about a future career but are strong in science and are considering healthcare

**All Medicine Bursary Students MUST choose Medsoc too.**

# Maths Mavericks – Volunteering at MCA and MPA

*“Working with children of different abilities, I learnt how to communicate effectively and clearly, lead teams and empathise. I learnt what actually goes in behind the scenes of teaching and has made me consider it as a possible career path”*

# Steel Pans

*“I always loved the sound of steel pans so was really excited to learn how to play them. I’ve definitely grown in confidence as we had to perform and this is something I wouldn’t have done before”*

# Dance

*“Working with the Royal Academy of Dance (for free) was a great opportunity to develop a new skillset and challenge myself physically.”*

# Early Applicants – Support Programme for students interested in applying to Oxbridge

If we eat Fish on St David's Day, Crab on US Independence Day and Goat on Christmas Day, what do we eat on Halloween?

# Weightlifting

## Yoga

*“With the stresses of A-level study, it was great to have some time for myself, de-stress and re-focus”*

# Architecture and Built Environment Society

RIBA 

Royal Institute of  
British Architects

The Chartered Institute of Buildings

# The Architecture and Built Environment Bursary Programme

**Focus:** to get you into the  
top universities in  
Architecture, Engineering  
and related courses.
